Secretary-Treasurer-----Toodie Thompson  
Trustee-----Pearl Johnson

Because of the absence of Orval Stevenson, Howard Thompson agreed to serve as Vice-President in the event Orval Stevenson declined the nomination.

Old Business: It was brought to the attention of the members that the By-Laws had never been approved. The By-Laws were then read as written by Dr. Poole sometime ago. After a few minor changes were made, a motion was made and seconded that the By-Laws be approved and accepted.

The members were given a progress report on our fire station by Howard Thompson; and the Breidensteins and Drs. Gravelle and Wardle were given a round of applause by the group in appreciation of their generosity in support of the project.

New Business: A discussion was held in regard to the need for a "Neighborhood Watch", because of the vandalism occurring in the neighborhood. No definite plans were made for the formation of a "Neighborhood Watch", except that it was agreed those living along the road permanently would continue to check homes during the absence of the owners. It was also suggested that anyone leaving for any period of time should notify someone trustworthy of his absence so his home could be watched.

A discussion was also held in regard to payment of the annual water assessment, and the group was in unanimous agreement that a period of thirty days should be given for payment of the assessment. After the
