An election of officers was held. Those nominated and elected to serve the 1978-1979 year are as follows:

President-----Pearl Johnson
Vice-President-----Louise Ewart
Secretary-Treasurer-----Toodie Thompson
Trustee-----Orval Stevenson

Old Business: The problem of inadequate water supply came up again. It was reported that the low water supply from the well is causing air in the line. There was a discussion in regard to a possible solution to the problem. It was suggested that the annual water fee be raised to accumulate funds for future well improvements. Another suggestion was to buy a piece of property large enough to enable the community to drill another community well. After some discussion, it was decided that the present \$24.00 annual fee be retained for the time being. A motion was made and seconded that a letter be sent to each well user, stating that water must be conserved, and that only hand sprinkling would be allowed.

New Business: It was reported that we now have a hospital bed, crutches and a wheelchair for the use of anyone who is in need of such equipment. Also, for a minimal fee, the fire station is available for meetings, community gatherings, etc.

A motion was made and seconded to hold a rummage sale for the benefit of the new fire station. Sale dates are to be September 9th and 10th. Esther Roll was elected to be chairwoman of the event.

There being no further business to come before the meeting, a motion was made and seconded to adjourn.

Respectfully submitted,

Toodie Thompson
